(BUSINESS): Accounting & Finance, Business & Management, Economics & Econometrics, Human Resources Management, Logistics and Supply Chain Management, Marketing, Statistics & Operational Research

(STEM): Science, Technology, Engineering, Mathematics. In select World Grad School Tour events, dedicated STEM sections are available.

(EMBA): Executive MBA Programs. In select World MBA Tour cities special EMBA sections are available, while Connect MBA events offer targeted selection for EMBA candidates.

(WIL): Dedicated panels highlighting the career benefits an MBA may offer women are available in select cities as noted.

(Hyb): At select Connect MBA events, a shorter interview schedule is offered. These events typically include panel options, networking, or short presentation options.

(Village): If village is indicated for the World MBA Tour, this is a subsection of the World Grad School Tour and you'll see candidates across a wide array of disciplines. If indicated for the World Grad School Tour, this will part of the World MBA Tour and schools primarily will see business-focused candidates.
