

Criteria for the QS Scholarships Scheme

QS Scholarships Scheme awards scholarships to international candidates interested in both undergraduate and postgraduate studies, based on demonstrated academic achievement and an expressed interest in pursuing higher education in an institution of personal choice or with one of the QS Scholarships Scheme partners.

If you are interested in MBA studies, you will find relevant scholarships here: <http://www.topmba.com/scholarships>.

If you are interested in bachelor's and master's or PhD studies, check out the relevant scholarships here: <http://www.topuniversities.com/scholarships>.

Eligibility: Scholarship candidates eligible for assistance must be graduating their high school and intend to continue their education at business school, college or university. Consideration will be given to those who register and attend QS fair(s).

At QS we encourage all the candidates coming from different backgrounds, to apply for our scholarships, regardless of the country of origin or the business school or university they have been admitted to.

Application Process:

For scholarships funded directly by QS, scholarships are awarded on an annual basis and disbursed towards the tuition fees for the relevant year.

There are three steps to the application process:

1. Register, download the QS Events App and attend any of the QS fairs coming to a city near you.

Follow the QS tours here:

<http://www.topmba.com/events>

<http://www.topuniversities.com/events>

<http://www.topuniversities.com/events/qs-world-university-tour>

2. Complete the QS Applicant Survey by clicking [here](#) or on the QS Events App.

3. Choose the scholarship(s) and apply on the website or via the QS Events App.

Applications to more than one scholarship are accepted, as long as the relevant essay for each scholarship has been submitted.

Deadline:

To check the application deadlines for MBA scholarships please click [here](#).

To check the application deadlines for Grad scholarships please click [here](#).

QS evaluates the QS- specific scholarships' applications and the final winners are announced on www.topmba.com and www.topuniversities.com accordingly.

Business schools and universities providing scholarships in partnership with QS are fully responsible for the evaluation of their scholarship applications and the identification of winners.

Shortlisting Criteria:

The following criteria aim to show what the QS Scholarships Team is looking for in an application essay:

20% overall presentation and format of the essay

80 % relevance and quality of the content

QS Scholarship Winner:

The QS Scholarship finalists will be contacted by QS Scholarships Team 2-3 weeks after the scholarship deadline and subsequently the winners will be announced on our website. If you do not hear personally from us, it is unlikely that you have been selected as the winner of a QS scholarship. Due to the high volume of applications the QS Scholarship Team cannot provide application feedback to all enquiries.

Winner will be interviewed by QS's editorial team and his/her interview may be published on www.topuniversities.com/ www.topmba.com and/or school guides.

For scholarships funded directly by QS, QS is responsible for transferring the scholarship amount to the winning candidate's business school or university, to be used towards tuition fees.
